

TECHNICRETE

BondBrick[®], DoubleBond[®] CobbleBond[®]

Economy with elegance

Technicrete BondBrick[®], the traditional paver for economy and durability. Available in a variety of colours and thicknesses. Suitable for parking areas, pathways, commercial and domestic surfaces. **Technicrete DoubleBond[®]** & **Technicrete CobbleBond[®]**, paving blocks which give an attractive cobble effect with a stronger interlock capacity. The cobble look comes from a central groove which is bevelled across the middle of the block.
